

Data Central QRC: Access & Navigation

The screenshot displays the Data Central interface. The top navigation bar includes the elluminate logo, 'Data Central', 'Clintek-010', and 'Data Central'. The left sidebar contains navigation options: Subjects (380), Issues (9), RBQM, eIQ Review, Visualizations, and Data. The main content area shows two tables. The 'Subjects' table has columns: Subject, Site, Age, Sex, Ethnicity, Country, DM Review Pending, Notes, My Assessment, and Test2. The 'Issues' table has columns: Type, Site, Subject, Reviewer Role, Domain, Variable, Value, Visit ID, Issue ID, and Issue Text.

Subject	Site	Age	Sex	Ethnicity	Country	DM Review Pending	Notes	My Assessment	Test2
0003-001	00003	77	Female	Not Hispanic or Latino	USA	591		On Track	220
0003-002	00003	75	Female	Not Hispanic or Latino	USA	2178	Reviewed all AE and CM records		
0003-003	00003	82	Male	Hispanic or Latino	USA	323		Reviewed	
0003-006	00003	79	Female	Not Hispanic or Latino	USA	985			
0003-007	00003	92	Female	Not Hispanic or Latino	USA	716			
0003-008	00003	78	Male	Not Hispanic or Latino	USA	341			
0003-009	00003	74	Male	Not Hispanic or Latino	USA	3244			
0003-009	00003	75	Male	Not Hispanic or Latino	USA	3244

Accessing Data Central

1. Click the **9-dot icon** to open the Platform Menu.
2. Expand the **Data Review** section.
3. Click on **Data Central Studies**.
The Data Central Landing page will display the studies you have access to within Data Central.
4. Click on the study name you want to open.

Panel Toolbars / Icons

Icons may vary depending on the panel, workspace, listing, or visualization.

- Hover over an icon and the action / label displays.
- Select a record and then click on an icon to perform the action.
- Right-click on a record to access a drop-down with icon actions.

Left Navigation

Subjects, Queries, Issues, RBQM (if applicable), eIQ Review (if applicable), Visualizations, and Data listings are opened from the left navigation.

- Click the Subjects, Queries, or Issues panel from the left navigation to open it.
- Click on the down arrows to expand RBQM, eIQ Review, Visualizations, or Data.
- Hover over a panel name or data listing and click on the Open Listing and Details icon to view the listing and details side by side on a sheet.
- Click on a dashboard name under RBQM, a visualization name under Visualizations, or listing name under Data to open it.
- Click on Visualizations or Data, then click the Search icon and enter text into the Search field to find items that include the entered text.
- Use the panel scrollbars to see all names listed.

Master Header

- **9-dot icon:** Click to open the Platform Menu.
- **illuminate logomark:** Click to return to the Studies page.
- **Select Study:** Current study displays; click the drop-down to select a different study.
- **Module drop-down:** Click to open the module drop-down.
